

Al Fulajj & Hamdan Graphic Arts Supplies & Services agent for Q.I. Press Controls in Kuwait

BETTER FOCUS BY LOCAL PRESENCE

Oosterhout, Februari 2013 – Al Fulajj & Hamdan Graphic Arts Supplies & Services in the State of Kuwait has recently been added to the global agent network of Q.I. Press Controls. Al Fulajj & Hamdan Graphic Arts Supplies & Services is active in the graphic industry since 1964 and is representative of know companies like Mitsubishi Heavy Industries and Krause CTP systems. Now Q.I. Press Controls' total solution for full automatic press control systems have been added to their portfolio.

Menno Jansen, Chairman Q.I. Press Controls: "We are very pleased with the partnership with Al Fulajj & Hamdan Graphic Arts Supplies & Services. With the addition of an agency in Kuwait and thus the joint contacts and knowledge, we feel we will be able to react faster and better on the needs and developments of the Kuwait market. This market is growing in importance which is proven by the investments made in our press automation solutions over the last years."

Mr. Mohannad Hamdan followed his studies in printing technology in The Netherlands and has 18 years of experience as major supplier in the Middle East. "We are proud to start a partnership with Q.I. Press Controls, who is considered the worldwide market leader in press control systems. We decided to work with Q.I. Press Controls as there is a real need for such solution. The Kuwait market has over 75 towers actively operating in the newspaper market publishing over 12 dailies."

About Q.I. Press Controls:

Q.I. Press Controls develops and delivers innovative, high quality optical measure and control systems. We are globally active in the newspaper and magazine printing industry. Our total solutions are supported by a worldwide service network. These reliable systems are proven in the market of existing and new printing presses and offer our customers structural better results.
